PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Junior Cattlemen Elect Officers

The monthly meeting of the Junior Cattlemen's Association was held in the Glades Office Building, Tuesday night at 7:30, November 10th.

Election of officers was held and the following officers were elected:

President, Warren Repper, Canal Point.

Vice-President, Phil Mansfield, South Bay.

Secretary-Treasurer, Becky Hill, Belle Glade.

Reporter, Mary Lou Raulerson, Belle Glade.

Dr. Herbert Chapman, of the Everglades Experiment Station, gave a talk on feeding before animals on pasture and James M. Herring, of Herring Ranch, gave a talk on beef cattle for show and sale.

Harold Brough, Sawyer Ranch, is the local adult leader of this group and Kent Price, Ass't. County Agricultural Agent, is the program chairman. This club is open to all Future Farmers of America and 4-H Club boys and girls, or any youngsters who is interested in raising dairy or beef cattle in the Glades area.

Prices Good As Weather Is Wet

Prices on winter vegetables going out of the Lake Region are good but the wet weather is making the gathering of these delicious vegetables practically impossible. Rain during the past couple of days has sent the amount of beans offered for sale to a new low.

Prices on beans have been good despite the weather, selling from \$2.75 to \$3.75 per hamper Pepper, while not the fanciest ever offered, has been bringing around \$4.00 per bushel.

Sweet corn during the past few days has brought around \$3.00 per crate which is a profitable price for the grower. Cabbage has been selling at a new high this year of \$3.00 per bushel. Growers can make a nice profit at this price.

More Resurfacing Jobs For The Glades

On November 19, 1959, the State Road Department received bids for leveling and resurfacing State Road 80, from Six-Mile Bend eastward to a point about five miles from Twenty-Mile Bend, in Palm Beach County. This project is approximately 7.2 miles long, and lies about half and half in Commissioner's Districts 2 and 5, respectively.

Indiantown To Get New State Bank

The establishment of the First Bank of Indiantown was announced Wednesday. A member of the Federal Deposit Insurance Corporation, the bank has received initial deposit pledges totaling \$1,200,000. It will be the only state bank in Martin County.

County Taxes Can Be Paid Locally

Some residents of the Glades area are still unaware that they can pay all of their County taxes at the Glades Office Building, according to Mrs. George Young, manager of the County Tax Collector's branch office in the building.

All tangible and intangible personal property tax, as well as real estate taxes, and occupational licenses can be paid in the Glades branch office, she said.

Funeral Services Mrs. Flora Childers

Funeral services for Mrs. Flora Irene Childers, 36, of Canal Point were held at St. Thomas Catholic Church in Bartow 9:30 a. m. Thursday, and Rosary, at Whidden Funeral Home chapel in Bartow Wednesday at 8 p. m.

Mrs. Childers died at Everglades Memorial Hospital Monday night after a long illness. A native of Pittsburg, Pa., she came to the Glades from Bartow, and for many years was employed at Boe's in Pahokee.

She was a member of St. Thomas Catholic Church in Bartow. Survivors include a daughter, Miss Barbara Ann Childers, of Tallahassee; two step-sons, Bobby and Billy Childers, of Myrtle Beach, S. C.; her parents, Mr. and Mrs. Conrad Schuck, of Bartow; five brothers, Conrad G. Schuck, of Bartow; Joe P. Schuck, of Tallahassee; Fred and Robert Schuck, of Freeport, Tex., and William of Perry; and three sisters, Mrs. J. E. Montgomery of Tallahassee; Mrs. J. E. Barnes, of Jacksonville, and Mrs. John Gornoski, of Archer.

Glades Vegetables To Children's Home

A truckload of fresh vegetables donated by Glades growers, was sent to the Harry Anna Crippled Children's Home at Umatilla Wednesday of last week under the joint sponsorship of Pahokee BPOE Lodge 1638 and Belle Glade BPOE Lodge 1716. This is the second load of vegetables that has been sent to the Umatilla home since the start of the fall harvest and the two Elks Lodges plans to continue to send a truckload every other week as long as vegetables are plentiful in this area.

Free Boat Course Will Be Offered

Plans are being made for a 12-week free course in boating to be held in the Glades under the sponsorship of the Delray Beach Power Squadron. If 25 or more persons sign up to take the course, it will probably get started in January. Subjects covered in the lectures would include Charts and piloting, seamanship, rules of the nautical road, equipment and government regulations, safety afloat and the like. Those interested in taking the course are asked to contact either Billy McKinstry or Milton Douglas or Ray Hutton.

Cleanest Weekly Plant In America

If you are a believer in the adage that weekly newspaper plants should be knee-deep in waste paper and other rubbish, you should pay a visit to the office of The Everglades News in Canal Point and learn first hand that such is not the case. Publisher Paul Rardin this week laid claim to owning and operating the cleanest weekly newspaper plant in America.

Commenting on his claim, Rardin said: "Our weekly newspaper publishing plant is not only the cleanest and brightest in Florida, this we know, but we challenge any weekly plant in America to come up to the rules and regulations we exercise here to keep our plant spotless. We've found through the years that it is just as easy to throw waste paper in a waste container as it is to throw it on the floor. A little white enamel here and there in our plant makes it an attractive printing plant."

Nine years ago The Everglades News plant received recognition from the Publisher's Auxiliary, a nationwide printing publication, published in Chicago, telling of the spotless manner in which the Canal Point plant is kept. Pictures were used at that time in the national publication showing the composing room and press room which both had a heavy sprinkling of white enamel throughout, lending attractiveness all around.

This week, after a visit by an Ohio publisher who stood amazed looking at the brightness and easy manner in which type cases showed up, Publisher Rardin said: "It's a pleasure to work in a plant where there are no ink smears, dirt and grime so customary in weekly plants throughout America. We don't even have cigar butts on the floor. A visit to the ten cent store years ago took care of this when we purchased ash trays. Then, too, it helps when none of the employees use the filthy weed."

A separate press room is maintained for printing the paper and presses and folder in this room are kept covered, when not in use, by snow white sheets; laundered at regular intervals to maintain their attractiveness.

A recent retouching of the white enameled desks, chairs, work counters, type cases adds more beauty to the plant and Publisher Rardin extends a cordial invitation to his friends and neighbors to pay The Everglades News office a visit and see America's cleanest weekly newspaper plant.

Expansion Program For FP&L Is Told

The expansion program of the Florida Power and Light Company was explained to Pahokee Rotarians by R. D. (Dick) Hill, of West Palm Beach, FP&L eastern division manager, at last week's Thursday luncheon meeting in the Woman's Club building. Curtis Chase, FP&L Glades manager, was introduced as a guest. Sam Humphreys was in charge of the program. W. K. Aldridge, vice president, presided in the absence of President C. E. Williams.

Emmett Roberts Is Lions Speaker

State Rep. Emmett Roberts of Belle Glade was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by Leonard Dobrow, he conducted a quiz program in which he distributed to the Lions questionnaires relating to the identity of the various officials who run the State Government. L. V. McClelland was in charge of program arrangements and President Paul Tillery presided.

College Planning Day Observed

College Planning Day was observed at Pahokee High School Friday when representatives of various colleges and universities were present to discuss with Seniors and Juniors and their parents the advantages in higher education offered in their institutions.

The program, under the direction of Vance Denton, student guidance counselor, got under way in the afternoon with open house in Mr. Denton's office for parents and college representatives. This was followed by a general assembly of Seniors, Juniors, parents and representatives in the high school auditorium after which individual conferences, between the students and representatives were held.

Florida Southern College was represented at the conferences by W. B. Mundy; Florida Presbyterian College, Dr. J. T. West; Florida State University, H. H. Price; Palm Beach Junior College, E. E. Bishop; Stetson University, J. R. Lyon, and University of Miami, Dr. M. J. Mustard. A representative was also present from the University of Florida.

Norma Aldridge Is Head Elks Ladies

Mrs. Norma Aldridge has been elected president of the newly organized "Ladies of Pahokee Elks," an auxiliary organization of BPOE Lodge 1638 made up of wives of lodge members. Also elected were Mrs. Dorothy Hillier, vice president; Mrs. Violet Hitchcock, treasurer, Mrs. Christine Fraser, secretary, and Mrs. Marion Blech, parliamentarian. Regular meetings will be held in the ladies lounge at the Elks Home the fourth Monday night of each month, starting Nov. 23.

Charter members in addition to the officers, are Mrs. Joan Tucker, Mrs. Vivian McKinstry, Mrs. Dorothy Shackford, Mrs. Mary Dickson, Mrs. Doris Spooner, Mrs. Lennie Baxter, Mrs. Marie Funderburk, Mrs. Billie Kolstad, Mrs. Ila Mae Lampi, Mrs. Alice Spooner, Mrs. Ethel Barwick, Mrs. Jennie McKinstry, Mrs. Bernice Sellers, Mrs. Frances Dunson, Mrs. Doris Wilson, Mrs. Lois Erickson, and Mrs. Florence Lindrose.

Mr. and Mrs. Philo B. Williamson had as guests Mr. and Mrs. W. Brown of Chattanooga, Tenn., and St. Petersburg and Mr. and Mrs. Grover Hackney of St. Petersburg.

More Chain Stores Coming To Glades

More chain stores and super markets are headed for the rich agricultural section here on Lake Okeechobee, according to latest reports. Already several of the bigger chains are represented by branch stores in Belle Glade, among them being Sears Roebuck, W. T. Grant Company, Diana Shops and Kwik Chek.

Official sources said this week that plans are on the drawing board for a new Kwik Chek grocery store to be located in Pahokee across the street from Cleve's Service Station and the Elks Club. The concern has already taken out a building permit from the City of Pahokee.

In Canal Point tentative plans call for erection of a new building to be used by another chain concern, Pikk Quik grocery and a Quik Wash automatic laundry to be located on the plot of ground across the road from Pope Sears Service Station. These plans are tentative as mentioned above and definite plans will be announced later if the deal is closed.

Pahokee 11 Plays Belle Glade Nov. 25

The Pahokee High Blue Devils and the Belle Golden Rams, who have been sharing the Southern Division cellar of the Suncoast Conference all season, will be placing identical season records on the line as they square off Wednesday night for their traditional Thanksgiving Eve battle for the Lions' Bill Young Memorial Trophy. The game will be played on the Belle Glade Memorial Field, starting at 8:15 p. m.

Both the Blue Devils and the Rams have an 0-4-0 southern division conference record and a 2-7-0 over-all record to date this season. Despite these poor records this is expected to be an exciting, hard fought game, as the keen rivalry always present in Thanksgiving Eve contest usually stimulates both teams to rise to their potentialities and results in inspired football.

The Rams, who showed surprising defensive strength last week in holding the Pompano Tornados, southern division champions, to a 7-0 win, will be gunning for this game as they want that trophy which has been in the possession of the Blue Devils for the past few years.

Always an added attraction to this classic is the colorful halftime program presented by the bands of the two schools, also the pep rallies, parades and the meeting of the captains of the two teams with their lovely Senior girl sponsors at the start of the game. It ends with the annual ceremony conducted jointly by the Lions Clubs of Pahokee and Belle Glade in which the Bill Young Trophy is awarded to the winning team, or in case of a tie, the team in possession retains the cup for another year.

Mrs. Earl Schultz, and children of Miami visited her husband's parents, Mr. and Mrs. E. M. Schultz, and other relatives in Pahokee Saturday.

Propose Garden Center Building

Plans for a new Garden Center building were announced at the November meeting of the Pahokee Garden Club held at the home of Mrs. Frank Friend Tuesday, with Mrs. Norman A. Kennedy, president, presiding. The building will be located in Pioneer Park on Bacoan Point Road. Mrs. H. M. McIntosh of Pahokee and Mrs. A. R. Chastain of Canal Point are the co-chairmen in charge of the building project.

Mrs. Frank Friend, roadside improvement chairman, reported the planting of 30 royal palm trees by the club at new Lair Athletic Field on Larrimore Road. It was also reported the club is making Thanksgiving and Christmas decorative favors for the trays of patients at the Everglades Memorial Hospital.

Mrs. Frank Shaughnessy, past chairman of the civic committee who is moving to Tampa, thanked all who had assisted her in carrying out various civic improvement projects. A surplus of ixora plants that was left over from plantings in Izora Park will be sold to the public, with Mrs. Ruth Meredith in charge.

The three pictures made of native dried plant materials and plastic auctioned off at the meeting were purchased by Mrs. O. R. Blech, Mrs. Don Hillier and Mrs. Annette McCurdy, the money going into the Garden Center building fund.

It was announced Mrs. Kennedy will head a delegation of five from the Pahokee Club to attend the District 10 meeting at Sal Haven.

On the program Mrs. Frank Friend demonstrated the making of Christmas corsages. She was assisted by Mrs. Ivan Van Horn of Belle Glade and Mrs. A. R. Chastain of Canal Point.

Hostesses at the sandwich luncheon at noon were Mrs. James E.

Boyd, Mrs. H. J. Anderson, Mrs. Marty Carstens, Mrs. R. E. Simonson and Mrs. Friend. Guests were Mrs. W. S. Evans and Mrs. M. C. Carter of Port Mayaca, Mrs. J. P. Halbrook and Mrs. Van Horn of Belle Glade.

There will be no regular meeting of the club in December.

Social Hall At Church Remodeled

The remodeling of the social hall of the Pahokee First Baptist Church to provide 11 additional classrooms for the adult department of the Sunday School has been completed. A fellowship dinner was held at the church building program. Dr. Henry Turlington, pastor of the Delray Beach First Baptist Church was guest speaker. Members of the Woman's Missionary Society and the Baptist Brotherhood were in charge of dinner arrangements.

Farm Bureau Hopes For Anti-Union Help

CLEARWATER — The Florida Farm Bureau has called for legislation to "bring unions under anti-trust laws and make them liable for damage."

Federation members passed a resolution during the 18th annual convention of the group. The resolution, dealing with labor, also called for Congress to:

Outlaw national industry-wide bargaining. Outlaw power to strike in industry where over-all national economy or national security is involved, or where any public utility or municipal or health service is affected.

Enact a national right-to-work law. Retain anti-strike injunction power.

Recognize the right of states to regulate strikes and picketing within the respective states, the federal law to operate only where no state law covers the situation.

Make union financial support for candidates for public office illegal. The more than 450 delegates also called on other Farm Bureaus to help bring the resolutions to the attention of legislative committees.

CAR TURNS OVER

Freddy Hickerson and Morris Kennedy received minor injuries when the 1960 Ford sedan Freddy was driving overturned on a curve on SR 715 south of Pahokee Saturday night. Freddy received first aid treatment for facial lacerations and bruises at the Everglades Memorial Hospital and was dismissed. Morris was held at the hospital overnight for observation for possible internal injury but was dismissed Sunday morning.

REV. SMYLY SPEAKS

The Rev. C. J. Smyly, of Jacksonville, former pastor of the Canal Point Baptist Church who is now serving as district Sunday school superintendent, was guest speaker at the midweek prayer service at the Canal Point Church Wednesday night.

Research vs. TB

A test of a TB patient's lung function helps determine how the disease will affect the efficiency of her lungs. Such research studies, helped by your Christmas Seal contributions, are designed to improve TB treatment.

Barbershop Music Markers In Tampa

TAMPA — The air was filled with music last weekend when more than 600 "barbershoppers" from all over Florida convened in Tampa for the annual convention of the S. P. E. B. S. Q. S. A., the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America.

The Florida group comprises the Sunshine District of the national organization, which is composed of 15 districts in the U. S. and Canada. They were formerly a part of the Dixie District of the Southeastern states but grew so in membership that they were made a separate district. The national organization boasts more than 27,000 members.

This was certainly one of the most entertaining and unique conventions ever held in Tampa, say Convention Department spokesmen at the Greater Tampa Chamber of Commerce. It was unique in that many of the events were open to the public. Those to which the public were invited included: The competition among 15 quartets for the title of Sunshine District champs, at 10 a. m., Saturday Hillsboro Hotel ballroom; chorus competitions, at 2:30 p. m. Saturday, to select a winner to compete in the International Contest next June in Dallas; and the gala jamboree at 8:15 Saturday evening. The last two events were held at the Municipal Auditorium.

Past Exalted Rulers Organize

A Past Exalted Rulers Association has been organized with Pahokee BPOE Lodge 1638 to serve in an advisory capacity to the lodge, with membership limited to past exalted rulers. Elected as officers were Perry E. Duke, president; Otto Blech, vice president, and Jess M. Elliott, secretary. The group will hold regular dinner meetings on the first Tuesday night of each month.

Sweet Corn Meet Scheduled Jan. 7-8

The State Department of Agriculture will hold a Sweet Corn Marketing hearing at the Glades Office Building on January 7 and 8, according to an announcement by David Borms of the agriculture office in Tallahassee. Glades growers of Sweet Corn will be officially notified of the meeting before that date.

New Pastor Will Give Annual Sermon

The Rev. Thomas J. Shoemaker, new pastor of the Church of God on Barfield Highway, will deliver the spiritual message at the annual union Thanksgiving Service of the churches of Pahokee and Canal Point to be held in the sanctuary of the Pahokee First Methodist Church Thursday at 9 a. m. Pastors of the other participating churches will also take part in the service. He will preach on "The Benefits of the Lord."

The Rev. and Mrs. Shoemaker and children, Donald, Evanelle and Marie, were residents of Pine Bluff, Ark., before moving to Pahokee where they are now making their home in the Church of God parsonage. As new pastor of the Pahokee church, he succeeds the Rev. Lewis I. Miner who has moved with his family to Sarasota.

Sailfish Tourney On Florida Keys

KEY COLONY BEACH — Entrants from six states already have signed up for the second annual Guy Lombardo Sailfish Tournament to be held in the Florida Keys Nov. 18-22.

The event was originated to give the public an opportunity to participate in what Florida Keys guides consider top sailfishing between mid-November and mid-December. The sailfish are small in size and are fought on light tackle. But strikes are plentiful and the fish are very active.

A photo-writing team from the news bureau of the Florida Development Commission will be on hand during the tourney to arrange for publicity in national publications.

Entry blanks may be obtained from Guy Lombardo, City of Key Colony Beach, Marathon Shores, Fla. The popular orchestra leader owns a restaurant in the Keys community.

Edwin Stuart On Sonar School Staff

SAN DIEGO, Calif. — Navy Ensign Edwin J. Stuart, son of Mr. and Mrs. C. L. Stuart of Lake Shore Drive, Canal Point, is serving as Legal Officer on the staff of the Commander of the Pacific Fleet Training Command, with Headquarters at the Fleet Sonar School, San Diego, Calif. Before entering the Navy in May 1959, he graduated from the University of Florida.

Christmas Project By Sorority Group

The Omicron Chapter of the Beta Sigma Phi Arts Sorority has started its Christmas project of making a complete Nativity set entirely of ceramics, according to Mrs. C. T. Santee of Canal Point, chapter president. The work is being done at the Mary Anderson ceramic workshop in Belle Glade, she said.

Old Sugar Mill Is Up For Sale

TALLAHASSEE — The Cabinet Tuesday authorized the state penal division to sell the old sugar mill at the Glades Prison Farm for "junk."

The mill was closed down this year as obsolete and impractical, and the operation was moved to the main state prison at Raiford. Penal Director H. G. Cochran said he had the mill appraised at about \$15,000 for junk.

Stork Shower For Mrs. Roland Todd

A party and stork shower was held at the home of Mrs. C. M. Todd in compliment to their granddaughter, Mrs. Roland Todd, Jr. Hostesses were Mrs. Mollie Spooner, Mrs. Pat Johnson, Mrs. Nola B. Smith and Mrs. June Culberson. Mrs. Christine Pitts assisted them with the entertainment.

CLASSIFIED ADS PAY BIG DIVIDENDS

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months),—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 ... a \$37.50 Bond will be worth \$67.34 ... and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 ... in 9 years and 8 months, you'll have \$2,860.70 ... and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

The meeting will take place at the home of Mrs. Jack Phillips, starting at 9:30 a. m. when Mrs. Lloyd Hundley, past president of the Pahokee Garden Club, will give a demonstration on making shell plaques and Christmas decorations.

Catholics Special Service Is Today

Catholics throughout the Diocese of Miami will be consecrated to the Mother of God in a nationwide active homegoat today.

It will be part of a period of national prayer and the highlight of the day of dedication to be observed in the 16,750 Catholics parishes of the country. All of the nation's more than 39,000,000 Catholics are being invited to take part.

Bishop Coleman F. Carroll has declared "the dedication of the National Shrine of the Immaculate Conception in Washington is certain to be recorded as one of the most memorable days in American Catholic history." In order that every Catholic in the Diocese may participate in the dedication of the Shrine, Bishop Carroll has directed that each parish hold a Tridium of special services. There will be a late morning Mass scheduled in every Church for all the school children each day of the Tridium. On November 18th the Tridium will begin with an evening Mass in every parish followed by a short sermon. A nationwide Act of Consecration of the Blessed Mother will take place at the evening services.

The new Shrine adds two striking features to the Washington skyline. They are the bell tower and the multi-colored tile dome of the Shrine, which takes its place as the largest Catholic Church in the United States and the seventh largest religious edifice in the world. The bell tower, 329 feet in height, is higher than the famous Campanile of St. Mark's in Venice, Italy, and more than twice as high as the Leaning Tower of Pisa.

Christian Science Group Of Canal Point

The supreme power of God will be emphasized at Christian Science services Sunday.
 Keynoting the Lesson-Sermon entitled "Soul and Body" is the Golden Text from Psalms (66:3, 9): "O bless our God, ye people, and make the voice of his praise to be heard: which holdeth our soul

in life, and suffereth not our feet to be moved."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include this statement of the supremacy of God, Soul: "God is infinite, the only Life intelligence, Spirit, or Soul, the only intelligence of the universe, including man" (30:113-12).

From the King James Version of the Bible, the following will be read: "Bless the Lord, O my soul, O Lord my God, thou art very great; thou art clothed with honour and majesty" (Psalms 104:1).

Special Work Is Explained To Club

The work being done in the County-wide system of Royal Palm Schools for Exceptional Children was explained by Mrs. Crick of West Palm Beach, County co-ordinator, to members of the Xi Alpha Mu Chapter of the Beta Sigma Phi Sorority, at the chapter meeting at the home of Mrs. Jack Phillips.

Following a talk on "Scandinavian Countries" by Mrs. E. J. Graham, it was voted to hold a social dinner meeting, featuring smorgasborg, at the home of Mrs. Ronald R. Long with Mrs. E. A. Jensen and Mrs. Julian Moon, hostesses. Members will attend this meeting dressed in Scandinavian costumes.

Pledge Ritual To Sorority Group

The pledge ritual of the Beta Sigma Phi Sorority was tendered Mrs. Carl Mindlin, Mrs. Richard Thiery, Mrs. J. V. Thomas, Jr., Mrs. W. A. Cross, Jr., and Mrs. Carney Wilder at the meeting of the Beta Omicron Chapter at the home of Mrs. Julian Branch with Mrs. R. C. Lane presiding.

A get-acquainted party for the new members was held in the social hall of the Elks Club Saturday night. Mrs. Joe Hutton, Jr. was in charge of arrangements.

Two Week Revival At Church Of God

The Rev. J. C. Manning of Clewiston, evangelist, is conducting a two-week revival at the Church of God on Barfield Highway, ending Sunday, Nov. 29. Special music at each service, starting at 7:30 p. m., is being furnished by the Clewiston Trio and by the Rev. and Mrs. Manning. The Rev. Manning is being assisted by the Rev. Thomas J. Shoemaker, pastor, who extends a cordial invitation to the public to attend these services.

Mrs. R. E. Chard, accompanied by Mrs. Joan Wood, has returned to her home in Fort Myers after a visit with her son-in-law and daughter, Mr. and Mrs. Bill Shackford, in Pahokee.

Circle Programs For Thanksgiving

Thanksgiving programs were presented by the five circles of the Pahokee Methodist Woman's Society of Christian Service at separate meetings at home of members Monday when plans were made for home mission projects during the holidays.

Mrs. C. A. Major spoke on the work of WSCS missionaries in the Far East at the meeting of the Margery Lair Circle at her home and Mrs. M. P. Holman gave the Thanksgiving devotional. The group voted to prepare both Thanksgiving and Christmas gift baskets for presentation to a needy family. Mrs. H. J. Anderson, chairman, presided.

The Mary Martha Circle, at the meeting at the home of Mrs. R. B. Simonson, voted to remember shut-ins at Christmas time as a sunshine project, with Mrs. Richard Nason to be in charge. It was also voted to donate foods for the WSCS Christmas gift baskets. Mrs. Ralph O. Johnson presented the program, Mrs. Lloyd Hundley presided and Mrs. Rolland Rose of Ohio was introduced as a guest.

At the meeting of the Gertrude Shirley Circle at the home of Mrs. L. L. Shirley, chairman, Mrs. J. L. Tyson, Jr., and Mrs. Richard Nason were received as transfer members from the Mary Martha group. Mrs. Howard Holman, Mrs. Leon Spooner, Mrs. Frances Dunson and Mrs. J. G. Thomas, Jr., were named on a committee to direct the preparation of a Christmas gift basket and the wrapping of gifts for shut-ins at the December meeting. The program was given by Mrs. Walter C. Lowe.

Mrs. I. W. Weeks was hostess to members of the Mabel Simonson Circle at her home. The group voted to donate food for the WSCS Christmas baskets and join the Margery Lair Circle for the annual Christmas party. Mrs. R. W. Sanders, sunshine chairman, reported the circle is presenting remembrances to shut-ins on their birthdays. Mrs. J. R. York gave the program and Mrs. G. W. Byrd, the devotionals. Mrs. Arch Blakey, chairman, presided.

The Miriam Circle, meeting at the home of Mrs. Clare Hall with Mrs. Claude Padgett, co-hostess, planned a Christmas party to be held at the home of Mr. and Mrs. Robert Apelgren Monday night, Dec. 21. Mrs. E. D. Sims was appointed in charge of the Christmas project, the presentation of clothing to underprivileged children. Mrs. Vance Denton gave the program.

Building or Remodeling?

Plan now for telephone service that grows as you need it!

Who'd ever think of building a house without plenty of electrical outlets? Not you! And you'll find there are many advantages in pre-wiring for telephone service, too.

Telephone wiring built in during construction or remodeling provides neat outlets throughout the house for extension phones you'll want now and later. With plenty of outlets you can rearrange your phones for maximum convenience when you move your furniture. And built-in telephone facilities add alue to your home.

Let us work with your architect or builder to pre-wire while building is in progress. For details, call your Telephone Business Office today.

**Make your dream house come true! It's easy
—through Payroll Savings!**

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative continuously when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,846.25 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for weekly cash the way more than 2 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

Keep most your interest on interest income, and you look about twice the Bond's stated pay advantage—usually by Treasury check.

2-Year-Old Is 'Dimes' Poster Girl

Mary Beth Pyron, 2, daughter of Mr. and Mrs. James T. Pyron of Florence, Ala., has just been chosen national poster girl for the New March of Dimes 1960 campaign in January. Her picture will appear on millions of posters (above), canisters and coin collectors in every town and village of the country, symbolizing the 'New March of Dimes' attack on crippling birth defects, arthritis and polio, diseases that affect one in every four U. S. families. Mary Beth was born with an open spine and water on the brain. Medical science knows no way of helping her. Hope lies in scientific research supported by the New March of Dimes. Mary Beth is a sunny, affectionate child and loves to ride her new walking horse (left). Her brother Tommy, 4, is a normal child.

Turkey Shoot By Lions Four Days

The annual Thanksgiving Turkey Shoot of the Canal Point Lions Club get under way this Friday afternoon at 2 o'clock and last until dark, the same hours to apply Friday, Saturday, Monday and Tuesday afternoons and possibly Wednesday afternoon, if any of the 45 turkeys have not been won by sharpshooters of this area at that time.

This year's shoot will be held in the field at the rear of Pope Sear's Texaco Service Station, across the street from the Duke Tucker building in Canal Point. H. H. Sears, chairman, is in charge of arrangements. Anyone desiring more details about the shoot is requested to contact him, Phone 2061.

Special Service By Scientist Group

A special Thanksgiving service will be held on Thursday, Nov. 26th at 11:00 o'clock by Christian Science Group in the Community Building at Canal Point.

A period devoted to voluntary expressions of gratitude for God's goodness is included in the Thanksgiving Day service in all Christian Science churches.

No collection is taken at this service, and local members have invited the public to attend.

The Thanksgiving Day Proclamation of the President of the United States will be read at the service. Readings from the King James Version of the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon for the day entitled, "Thanksgiving."

Chuck Elliott To Visit Parents

Pfc. Edgar (Chuck) Elliott, who has been attending the Naval Music School in Washington, D. C., for the past eight months, is completing his courses at NMS this Friday and will arrive in Pahokee the first of the week to spend the Thanksgiving holidays with his parents, Mr. and Mrs. Jess M. Elliott.

The Naval Music School reserves a certain portion of its enrollment for members of the Army and other branches of the Armed Forces with outstanding musical talent. When he made his application for enrollment in NMS last spring Chuck made 297 out of a possible 300 points in the audition given as an examination for entrance. While attending Pahokee High School he played the snare drum and cymbals in Bandmaster Robert O. Lampi's PHS Band, and at NMS he chose courses specializing in the playing of percussion instruments.

On Dec. 14 Chuck will report at Fort Dix, N. J., in preparation for overseas duty in Germany where he will be assigned to a musical unit in the U. S. Army of Occupation.

Fellowship Dinner Pahokee Baptists

Thursday evening, November 19th, at 7:30 P. M., the First Baptist Church, Pahokee, held a Church Fellowship Dinner. At this time the new Sunday School rooms were dedicated and plans for further building needs discussed.

Dr. Henry Turlington, Pastor, First Baptist Church, Delray Beach, was the Speaker for the occasion. He has served as Missionary to China, Professor at Shanghai University, Professor at Southern Baptist Theological Seminary, and now Pastor at Delray where a new Sanctuary has just been completed. The WMU and Brotherhood of the church were in charge of Dinner arrangements and the Finance Committee was in charge of the program.
